JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SCHOOL AND ALUMNI NOTES

The revised enrollment for the Law School shows a total registration of 650. Of this number 438 are regular students in the Law School. There are 99 more men taking the regular work than last year.

The recent case competition from the first year class began about the middle of January. This competition will end in May, during which time each competitor will be required to hand in ten recent cases. Over fifty men started in the competition.

The Townsend prize speaking will not be held in connection with the anniversary celebration of the School at Commencement hereafter, but at some earlier date.
